
TX Capital Access Program

By Amanda Nobles

Published: 07/12/2008 - 09:36

The program is designed to increase the availability of financing for businesses and non-profit organizations that face barriers in accessing capital. Eligible borrowers can be any small business with less than 500 employees or a non-profit corporation. The proceeds may be used for working capital or the purchase, construction, or lease of capital assets including land, buildings, and equipment.
