One of the strategic goals of KEDC is to foster a business climate and quality of life that is conducive to business and employee retention. To that end, I am a volunteer for the Kilgore unit of the Boys & Girls Club. Four Star Cinema is hosting the Kilgore unit for a viewing of G-Force with popcorn and a drink. To fund more events, our club is partnering with Habitat for Humanity for a fundraiser. The Texas Two Step Gala is October 3 and will feature bar-b-que and celebrity waiters. Sponsorships and advertising are available, and auction items are being accepted. Contact info@kilgore-edc.com for more information.
